

It's that time of year!
New Year's goals
and resolutions!

It's that time of year where many of us are thinking about our resolutions for 2018. Some of us will focus on physical health. Others may be time management. Still others, maybe it's a retooling of finances or job situations.

Here's a question—how many of us will be focused on *spiritual goals*? How can we *draw closer to God* in 2018 (and beyond)?

Chris Coyne, parishioner and Founder of Tree Moment Engagements will be our presenter. Sign-up sheets will be available in the Narthex after Mass. We look forward to seeing you there!

You're invited to a very special retreat...
